LUSTGARTEN
GLOBAL
THE GLOBAL BUSINESS IMMIGRATION FIRM

ABOUT

Lustgarten Global PLC is a law firm dedicated to representing employers in global immigration matters. We are committed to helping employers obtain the visas and work permits they need to hire or transfer key employees to foreign countries. From authenticating documents to filing visa applications with consulates in the US and overseeing the filing of work permit applications abroad, Lustgarten Global strives to make complex immigration processes as painless as possible for both the employer and the employee by providing comprehensive support and guidance every step of the way.

Offering an unmatched level of personal service, we serve as a strategic partner to our clients. The business objectives that drive our clients' immigration needs are always central to the service we provide; this holistic view informs our handling of all immigration matters. Rather than simply processing cases as they appear, we present clients with strategic immigration solutions designed to fully meet the demands of their business. And because our focus is exclusively global/outbound, we are able to collaborate with US immigration firms to provide their clients with exceptional, complete global immigration services.
